

# Inspire 3

## Smart Infrared Sauna

### ADVANCED HEATING TECHNOLOGY

Tecoloy® medical-grade heaters, using patented technology, deliver comprehensive near-, mid-, and far-infrared therapy for 360 degree full spectrum body coverage. All heaters, electronics, and controllers are rigorously tested to maintain safe electromagnetic frequency levels for peace of mind.

### RED LIGHT THERAPY

High output, 96-diode LED panel provides customizable 9-color near-infrared chromotherapy for enhanced health advantages.

### ERGONOMIC BENCH

Comfort enhancing reversible bench features adjustment for sitting or reclining.

### SMART SAUNA TECHNOLOGY

Seamlessly control your sauna's settings via app, complete with a function that lets you turn on your sauna in-advance for convenience. Set your sauna to turn on any time. Immerse yourself in relaxation with a built-in, highperformance Bluetooth audio system that pairs effortlessly with your smartphone.

### DESIGN ELEGANCE

High quality wood for maximum quality and lasting durability plus energyefficient design.
